

Case 4

System Case Near-Field Probes for 4 probes

Short description

The boxes offered are necessary for the safe transport of the individually requested near-field probes. The boxes are also suitable for storing the probes at the developer's workplace.

If these boxes are of interest for storage, we can also offer several boxes. We offer boxes from two to five places.

Technical parameters

Sizes (L x W x H)	(17.5 x 14 x 3.5) cm
